### **Innocence Ottawa Donation Policy**

We would like to thank everyone who has donated or contributed to Innocence Ottawa. With your donations we can continue helping wrongfully convicted Canadians establish their innocence through having their conviction reviewed.

Our work involves searching for new or significant evidence or information that was not presented in court. This process can take years to complete and can be very resource intensive. This investigative work is done by our hard-working volunteers; however expenses are still incurred along the way.

Donations are used to pay expenses that include (but are not limited to):

- Travel to institutions
- Postage
- Administrative costs
- Document retrieval fees
- Innocence Ottawa website maintenance
- Photocopying and printing of documents, including court transcripts

If you appreciate our work, we encourage you to consider making a donation or purchasing our merchandise to support us.

### **Declining Donations**

We reserve the right to respectfully decline any donations that we determine may involve a conflict of interest. This may include individuals requesting assistance, individuals whose applications are under review, or in other situations we deem inappropriate to accept a donation.

If you have any questions about making a donation, please do not hesitate to contact us at [uottawainnproj@gmail.com](mailto:uottawainnproj@gmail.com).
